

Virtual Cue 2023

on cue, in person!

We are back!.... In person!

We are so excited to announce [Virtual Cue](#) is back, in person, and putting on a full production this summer! Virtual Cue had our debut season in summer 2020 in the midst of the Coronavirus pandemic where we brought youth theatre right into your homes. Virtual Cue began as a nontraditional theater summer camp for children who still want to hone their skills, be with friends, have fun, and have a chance to perform all while staying safe at home.

The last two summers we successfully put on full in person productions of Disney's The Little Mermaid and Beauty and the Beast! We provided daily classes and activities to give students a full experience while also having fun each day.

Our rehearsal and show location will be announced soon so stay tuned!

Students in grades 2-9 will have the opportunity to take daily dance, acting, and musical theatre classes with our college-aged and above teaching artists to hone and explore their crafts as well as participate in a show! We will be offering set design and costume design classes as well as a full tech option. In addition to these wonderful classes, we will also be rehearsing for the show!

Auditions will be Thursday, June 8th and Callbacks will be Friday, June 9th. Camp will be Monday - Friday, June 12th - June 28th with TWO SHOWS on June 29th and 30th at 7:30pm. Each day will be a different schedule to ensure that everyone gets to do an equal amount of singing, acting, and dancing with occasional master classes taught by our staff and guest performers! Summer 2020 we had masterclasses taught by Grammy award winning artist, Olivia Rodrigo from High School Musical the Series on Disney+ and others!

This years tuition will remain at \$650 for the full camp experience along with a \$50 costume fee. Tuition includes daily snacks, sound, provided dress rehearsal meals and a free camp shirt! Please find our camp schedule below.

Spaces are limited, so secure yours today!

If you are interested in signing your child up for Virtual Cue or if you have any questions at all, please reach out to Molly Herson at mollyherson@virtualcuellc.com
